

Empowering new generations to appreciate, understand and wisely use the land through science, education and action.

**George Buzzell Forest Stewardship Award
2014 Nomination Form**

Awarded to an individual who has demonstrated extraordinary commitment to sustainable management of forestland in the Northeast Kingdom, and who has also worked to advance and/or share knowledge to ensure the long term resiliency and productivity of our forests. The individual's direct impact can include hands-on work, policy improvement, education and training, or a combination.
