

Skier Responsibility Code

- * Maintain control of your speed and direction at all times
- * Ski in a manner that does not endanger others
- * Do not stop where you obstruct a trail or are not visible by others
- * Obey all signs and posted warnings
- * In the event of an injury, please call 9-1-1

Important Reminder

There is no ski patrol sweep of the trails and conditions can change abruptly, especially in winter. If you encounter an injured skier, carefully note your location and call 9-1-1. There is a rescue center in Westmore and wireless phone service on most trails.

Note for Hikers and Dog-Walkers

Hikers and dog-walkers are encouraged to use the Pisgah Trail, located directly across Route 5A from the kiosk. If you choose to use the groomed trails, please keep dogs on a leash and walk on the opposite side from the set tracks and out of the center skating lane.

Please clean up after your dog on the groomed trail surface and in the parking areas. Thank you for maintaining the quality of the groomed trails.

Trail Management

The maintenance and grooming of the Willoughby State Forest ski trails is the result of an agreement between the Vermont Department of Forests, Parks and Recreation (VT FPR) and NorthWoods Stewardship Center (NWSC). Financial support is from both the State of Vermont and public donations sent to NWSC (PO Box 220, East Charleston, VT 05833). Donations can also be left in the black box inside the kiosk.

Your generosity is appreciated!

For More Information

During the ski season, a weekly Trails Report e-newsletter is available by emailing:
trails@northwoodscenter.org

Or visit: www.northwoodscenter.org

Or call: VT FPR- (802) 751-0110
NWSC- (802) 723-6551.
