Summer 2019

Dear NorthWoods Community,

We are pleased to announce that NorthWoods Stewardship Center is offering a number of camperships to enable children to attend our summer camps in 2019. We recognize that there are several reasons that summer camp fees may be prohibitive for your family, and we are doing what we can to help your family overcome these barriers with the goal of providing access to the NorthWoods Experience to benefit all kids and families. To be considered for a campership, please submit an application and registration form (available online at www.northwoodscenter.org or on the back side of this letter).

Campership Awards will be made as they are received. Please submit the campership application ($50 deposit required) as early as possible. The application and $50 deposit holds your child’s spot at camp. Campership applications will be accepted throughout the summer until funds run out. We will notify you of your campership award - please allow 2-3 weeks for that notification. At that time, you will have the option to confirm or give up your child’s spot at camp. The value of the campership will be deducted from the balance due on the camp fee. Payment plan options for the balance due are available.

If you have any further questions about camperships or NorthWoods Camps, please give us a call.

Thank you,

Maria C. Young
Education and Camps Director
