

CAMPERSHIP APPLICATION

NorthWoods Stewardship Center is offering a number of camp scholarships, a.k.a. "Camperships" to enable children to attend our winter and summer camps. We believe that the camp experience is for everyone and we want to reduce participation barriers by providing financial and equipment assistance.

To be considered for a campership, please submit a completed Campership Application and camp specific registration form, as well as a \$50 deposit. Campership Awards will be made as they are received until funds expire.

Please submit the campership application, camp registration, and \$50 deposit as early as possible. The application and \$50 deposit holds your child's spot at camp. We will notify you of your campership award soon thereafter – please allow 2-3 weeks. At that time, you will have the option to confirm or give up your child's spot at camp. The value of the campership will be deducted from the balance due on the camp fee. Payment plan options for the balance due are available. If you have any further questions about camperships or NorthWoods Camps, give me a call.

Thank you,

Andrew Cappello
